OUTDOOR COLLECTION

“She danced the dance of flames and fire,  
and the dance of swords and spears;  
she danced the dance of stars and the dance of space,  
and then she danced the dance of flowers in the wind.”

The Dancer - Khalil Gibran

Jwana Hamdan's world is nomadic, constantly traveling but rooted, combines dreamlike inspirations, links with poetry and music with a strong desire for originality and uniqueness.

Il mondo Jwana Hamdan è nomadico, costantemente in viaggio ma radicato, combina ispirazioni oniriche, legami con la poesia e la musica con una forte volontà di originalità e unicità.

Jwana Hamdan, founded by the eponymous Italian entrepreneur of Lebanese origin, is the first outdoor brand where Italian design know-how meets a cosmopolitan Middle Eastern inspired cultural heritage. Jwana Hamdan creates unprecedented outdoor environments of great personality, which become places to live and cultivate a new form of conviviality by finding true luxury in hospitality and quality of relationships. The brand looks at the Italian and Middle Eastern tradition, to reinterpret it with a contemporary taste, and conceives design as a meeting between attention to detail and innovation, high quality and enhancement of the component that preserves and transmits the values linked to a shared cultural and social heritage.

Fondato da Jwana Hamdan, imprenditrice italiana di origini libanesi, l'omonimo brand si propone come il primo marchio di design outdoor dove il know-how progettuale italiano incontra un patrimonio culturale cosmopolita di ispirazione mediorientale. Jwana Hamdan crea ambienti outdoor inediti e di grande personalità, che diventano luoghi dove vivere e coltivare una nuova forma di convivialità ritrovando nell'ospitalità, nella qualità dei rapporti. Il brand guarda alla tradizione italiana e mediorientale, per reinterpretarla con un gusto contemporaneo, e concepisce il design come un incontro tra cura del dettaglio e innovazione, alta qualità e valorizzazione della componente che conserva e trasmette i valori legati a un patrimonio culturale e sociale condiviso.

## TRICIA PAOLUCCIO X JWANA HAMDAN

The new Capsule Collection Tricia Paoluccio x Jwana Hamdan is born from the collaboration with the multifaceted Californian artist expert in the art of pressed flowers and the creation of floral patterns with a strong visual impact.

La nuova Capsule Collection Tricia Paoluccio x Jwana Hamdan nasce dalla collaborazione con l'artista californiana esperta nell'arte dei fiori pressati e nella creazione di motivi floreali dal forte impatto visivo.

Tricia Paoluccio's passion for preserving the vibrant colors and delicate forms of botanicals began as a child, picking and pressing flowers on her family's California farm. Tricia's modern-yet-classical style of pressed flower art, translated into other mediums, is a first of its kind.

Tricia Paoluccio, who counts among her esteemed collaborations a prestigious fashion house, brings her expertise and artistic flair to the creation of two exclusive floral designs, specifically conceived for the outdoor brand. The designs, reinterpreted through the vision of Jwana Hamdan, give life to an unprecedented textile project, characterized by weaving techniques of high complexity and great detail.

The inspiration for the collection stems from Jwana Hamdan's desire to express through design the beauty and essence of nature, evoking a cultural heritage distinguished by a rich poetic and literary tradition. The lush gardens, often referenced in Middle Eastern poetry, are powerful metaphors to represent human emotions, social bonds, and the ceaseless movement of life, all weaving a fabric that intertwines spiritual depth with sensory exploration.

*La passione di Tricia Paoluccio per la conservazione dei colori vivaci e delle delicate forme di botanica è iniziata da bambina, raccogliendo e premendo fiori nella fattoria della sua famiglia in California. Il suo stile, che fonde modernità e classicità nell'arte dei fiori pressati e trasposta in altri medium, è senza precedenti. La sua visione chiave è di celebrare la bellezza e la resilienza dei fiori selvatici, elevando questa arte millenaria.*

*Tricia Paoluccio, che annovera tra le sue stimate collaborazioni anche una prestigiosa casa di moda, porta la sua esperienza e il suo estro artistico alla creazione di due esclusivi disegni floreali, specificamente concepiti per il marchio outdoor. I disegni, reinterpretati attraverso la visione di Jwana Hamdan, danno vita ad un progetto tessile senza precedenti, caratterizzato da tecniche di tessitura di elevata complessità e grande dettaglio.*

*L'ispirazione per la collezione nasce dal desiderio di Jwana Hamdan di esprimere attraverso il design la bellezza e l'essenza della natura, evocando un patrimonio culturale contraddistinto da una ricca tradizione poetica e letteraria. I lussureggianti giardini, spesso citati nella poesia mediorientale, sono potenti metafore per rappresentare le emozioni umane, i legami sociali e il movimento incessante della vita, creando un tessuto che intreccia profondità spirituale ed esplorazione sensoriale.*

FAIROUZ is a fabric born from the desire to express the feeling of nostalgia, weaving together emotions and memories deeply rooted in the essence of a familiar place. Its design draws on the eternal elegance of classical upholstery and the refinement of the Damascus rose. The vibrant shades of red, intertwined with delicate nuances and green backgrounds, offer a contrast that invites attention and reflection. FAIROUZ is a fabric rich in meaning, a visual dialogue with the soul that recalls the warmest and most welcoming memories, in a contemporary key.

FAIROUZ è un tessuto che nasce dal desiderio di esprimere il sentimento di nostalgia, tessendo insieme emozioni e ricordi profondamente radicati nell'essenza di un luogo familiare. Il suo disegno attinge all'eterna eleganza della tappezzeria classica e alla raffinatezza della rosa di Damasco.
