RUGS TAPPETI

ASH

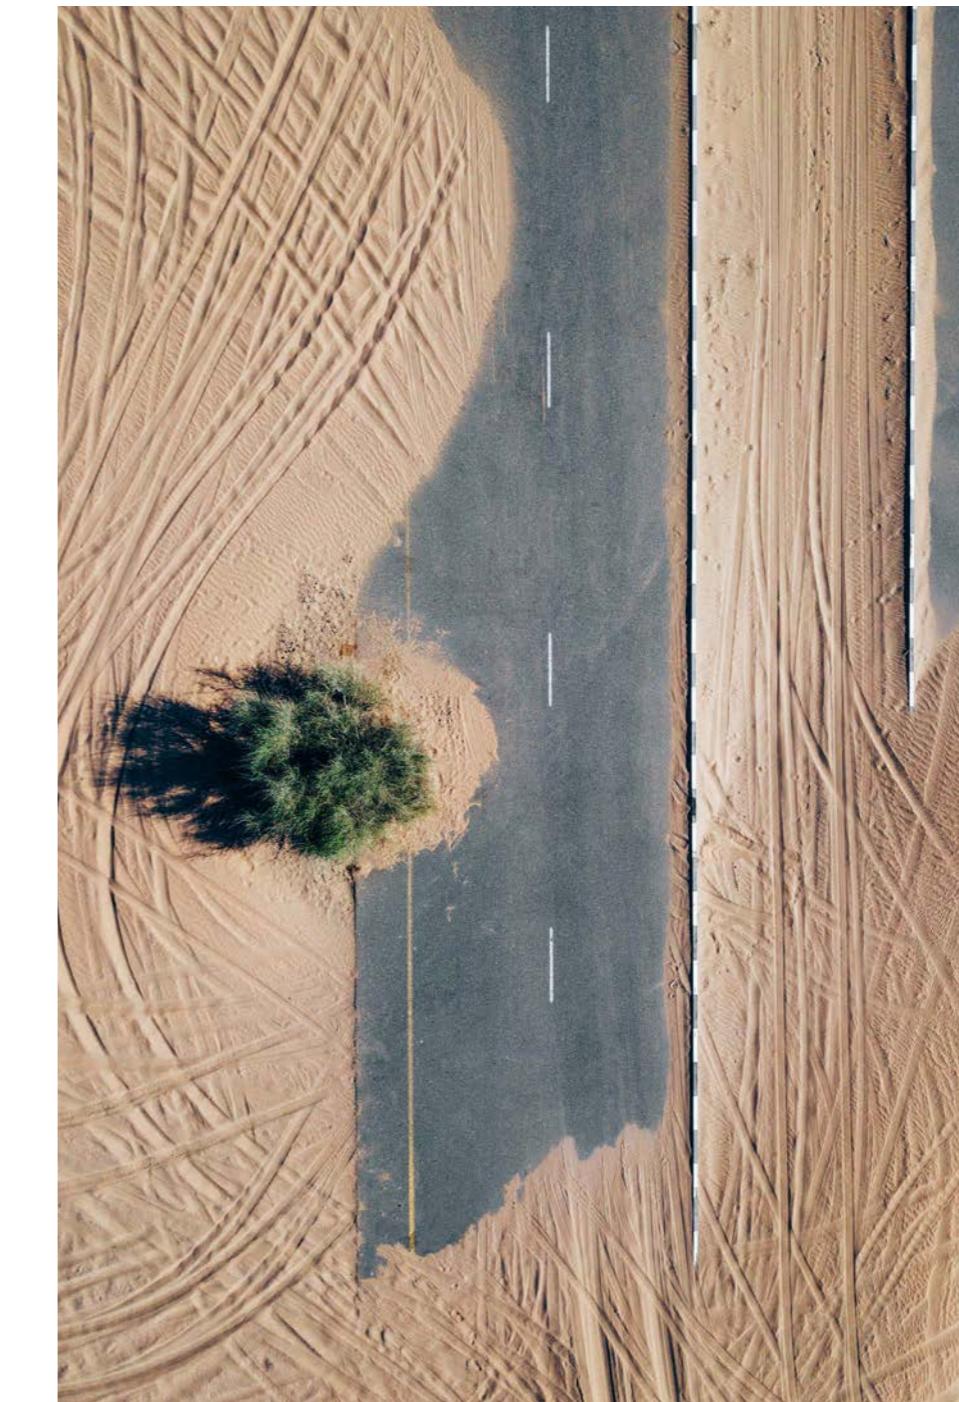

Ash is a handwoven rug of nomadic inspiration and rich materiality, suitable for both indoor and outdoor use. Its manufacturing process involves the preparation of a three-colour yarn in the weft that crosses a monochrome cord in the warp, creating a texture that enhances its elegant shades. Ideal for creating refined overlapping layers with the other rugs in the collection, Ash comes in two colour variations: light beige and dark grey.

Ash è un tappeto intrecciato a mano, d'ispirazione nomade e ricca matericità, adatto sia per uso interno che esterno. Il processo di lavorazione prevede la preparazione di un filato a tre colori nella trama che incrocia una corda monocroma nell'ordito, creando una texture che ne esalta le eleganti sfumature. Ideale per creare raffinate sovrapposizioni con gli altri tappeti della collezione, Ash è disponibile in due varianti colore: light beige e dark grey.

NOORA

design by Lorenza Bozzoli

Noora, “light” in Arabic, is a lantern for outdoor use designed by Lorenza Bozzoli. It is characterized by its elegant lampshade, featuring a laser-engraved pattern inspired by Middle Eastern tales. An eccentric handle, crafted from iroko wood, allows it to be both portable and suitable for hanging. The light source consists of an easily removable, rechargeable and rain-proof Led, equipped with a remote control to switch it on and off and to adjust the light intensity and warmth.

Noora, in arabo “luce”, è una lanterna per uso esterno disegnata da Lorenza Bozzoli. Si distingue per l'elegante paralume, decorato con un motivo inciso a laser ispirato ai racconti mediorientali. Una maniglia eccentrica, realizzata in legno Iroko, le permette di essere sia portatile che adatta per essere appesa. La fonte luminosa è costituita da un Led, facilmente rimovibile e ricaricabile, resistente alla pioggia e dotato di un telecomando per accenderla, spegnerla e regolarne l'intensità.
