JWANA HAMDAN
X TRICIA PAOLUCCIO

FLORAL CAPSULE COLLECTION

A wide-angle photograph of a desert landscape. In the foreground, dark sand dunes are visible with distinct ridges and shadows. The middle ground shows more dunes receding into the distance. The sky above is a soft, warm orange and yellow, suggesting either a sunrise or sunset. The overall atmosphere is serene and vast.

“She danced the dance of flames and fire,
and the dance of swords and spears;
she danced the dance of stars and the dance of space,
and then she danced the dance of flowers in the wind.”

The Dancer - Khalil Gibran

Jwana Hamdan's world is nomadic yet rooted,
constantly traveling while grounded in deep cultural identity.
It blends dreamlike inspirations with ties to poetry and music,
driven by a profound desire for originality and uniqueness.

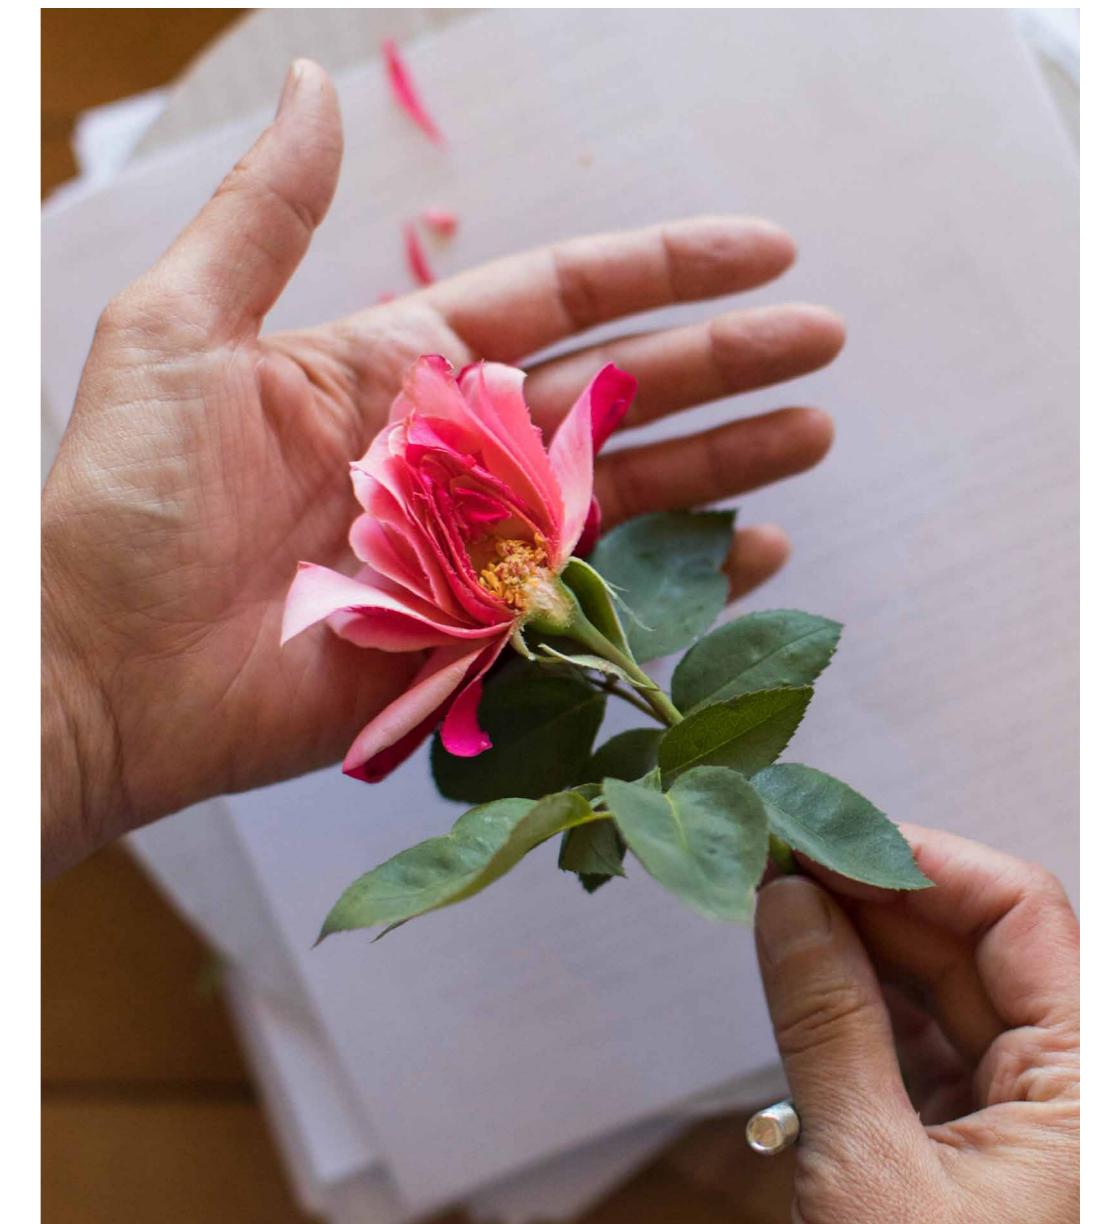

Il mondo di Jwana Hamdan è nomadico ma radicato,
costantemente in viaggio ma ancorato a una profonda identità
culturale. Combina ispirazioni oniriche con legami alla poesia
e alla musica, guidato da un forte desiderio di originalità e unicità.

Founded by the eponymous Italian entrepreneur of Lebanese origin, Jwana Hamdan is the first outdoor design brand where Italian craftsmanship meets a cosmopolitan Middle Eastern cultural heritage. Jwana Hamdan creates unprecedented outdoor environments with distinctive character, spaces designed for living and cultivating a new form of conviviality, where true luxury lies in hospitality and in the quality of human connections. The brand draws from Italian and Middle Eastern traditions, reinterpreting them with a contemporary sensibility. Design becomes a meeting point between meticulous attention to detail and innovation, blending high-quality craftsmanship with preservation and transmission of values rooted in a shared cultural and social heritage.

Fondato da Jwana Hamdan, imprenditrice italiana di origini libanesi, l'omonimo brand è il primo marchio di design outdoor dove il know-how progettuale italiano incontra il patrimonio culturale cosmopolita di ispirazione mediorientale. Jwana Hamdan crea ambienti outdoor inediti e di grande personalità, che diventano luoghi in cui vivere e coltivare una nuova forma di convivialità, riscoprendo il vero lusso nell'ospitalità e nella qualità delle relazioni. Il brand guarda alla tradizione italiana e mediorientale, reinterpretandola con un gusto contemporaneo. Il design diventa un punto d'incontro tra cura del dettaglio e innovazione, alta qualità e valorizzazione della componente che conserva e trasmette i valori legati a un patrimonio culturale e sociale condiviso.

CAPSULE COLLECTION

JWANA HAMDAN X TRICIA PAOLUCCIO

The Capsule Collection Jwana Hamdan x Tricia Paoluccio is born from the collaboration with the multifaceted Californian artist, known for her expertise in the art of pressed flowers and the creation of floral patterns with a strong visual impact.

La Capsule Collection Jwana Hamdan x Tricia Paoluccio nasce dalla collaborazione con l'artista californiana, nota per la sua maestria nell'arte dei fiori pressati e nella creazione di motivi floreali dal forte impatto visivo.

Tricia Paoluccio's passion for preserving the vibrant colors and delicate forms of botanicals began as a child, picking and pressing flowers on her family's California farm. Tricia's modern-yet-classical style of pressed flower art, translated into other mediums, is a first of its kind, celebrating beauty and resilience of wildflowers and elevating this ancient art form.

Tricia Paoluccio, who counts among her esteemed collaborations a prestigious fashion house, brings her expertise and artistic flair to the creation of two exclusive floral designs, specifically conceived for JH. The designs, reinterpreted through the vision of Jwana Hamdan, give life to an unprecedented textile project, characterized by weaving techniques of high complexity and great detail.

The inspiration for the collection stems from Jwana Hamdan's desire to express through design the beauty and essence of nature, evoking a cultural heritage distinguished by a rich poetic and literary tradition. The lush gardens, often referenced in Middle Eastern poetry, are powerful metaphors to represent human emotions, social bonds, and the ceaseless movement of life, all weaving a fabric that intertwines spiritual depth with sensory exploration.

La passione di Tricia Paoluccio per la conservazione dei colori vivaci e delle delicate forme di botanica è iniziata da bambina, raccogliendo e pressando fiori nella fattoria della sua famiglia in California. Il suo stile, che fonde modernità e classicità nell'arte dei fiori pressati, trasposti in altri medium, è senza precedenti e celebra la bellezza e la resilienza dei fiori selvatici, elevando questa arte millenaria.

Tricia Paoluccio, che annovera tra le sue stimate collaborazioni anche una prestigiosa casa di moda, porta la sua esperienza e il suo estro artistico alla creazione di due esclusivi disegni floreali, specificamente concepiti per JH. I disegni, reinterpretati attraverso la visione di Jwana Hamdan, danno vita ad un progetto tessile senza precedenti, caratterizzato da tecniche di tessitura di elevata complessità e grande dettaglio.

L'ispirazione per la collezione nasce dal desiderio di Jwana Hamdan di esprimere attraverso il design, bellezza ed essenza della natura, evocando un patrimonio culturale contraddistinto da una ricca tradizione poetica e letteraria. I lussureggianti giardini, spesso citati nella poesia mediorientale, sono potenti metafore per rappresentare emozioni umane, legami sociali e movimento incessante della vita. Da essi nasce un tessuto che intreccia profondità spirituale ed esplorazione sensoriale.

[Back to Index](#)

FAIROUZ is a fabric born from the desire to express the feeling of nostalgia, weaving together emotions and memories deeply rooted in the essence of a familiar place. Its design draws on the eternal elegance of classical upholstery and refinement of the Damascus rose. The vibrant shades of red, intertwined with delicate nuances and green backgrounds, are enriched by the presence of peonies, roses and geraniums, creating a contrast that invites attention and contemplation. FAIROUZ is a fabric rich in meaning, a visual dialogue with the soul, that evokes the warmth and comfort of the most welcoming moments in a contemporary key.

FAIROUZ è un tessuto che nasce dal desiderio di esprimere il sentimento di nostalgia, tessendo insieme emozioni e ricordi profondamente radicati nell'essenza di un luogo familiare. Il suo disegno attinge all'eterna eleganza della tappezzeria classica e alla raffinatezza della rosa di Damasco. Le vivaci tonalità di rosso, intrecciate a sfumature delicate e sfondi di verde, arricchite dalla presenza di peonie, rose e gerani, creano un contrasto che invita all'attenzione e alla contemplazione. Its unique design encapsulates the poetry of a lush garden, bringing the gentleness of flowers and their stunning allure to outdoor seating arrangements. The table top is made from marine Okumè plywood, printed with the floral design and coated with a blend of water-based polymers, sunflower oil, and natural recycled materials. The stone effect finish is manually applied by skilled craftsmen specializing in artistic and decorative work, making each table a unique piece.

WARD testimonia la collaborazione creativa con Tricia Paoluccio, esibendo una finitura floreale esclusiva. Il suo design unico racchiude la poesia di un giardino rigoglioso, portando la delicatezza e il fascino dei fiori negli spazi all'aperto. Il piano del tavolino è realizzato in compensato marino Okumè, sul quale viene stampato il motivo floreale e poi ricoperto con un composto di polimeri a base d'acqua, olio di girasole e materiali naturali riciclati. La finitura effetto pietra è applicata manualmente da artigiani esperti in lavorazioni artistiche e decorative, rendendo ogni tavolino un pezzo unico.
